Independent Auditor's Report

The Board of Directors Historical Society of Central Florida, Inc.

Opinion

We have audited the accompanying financial statements of Historical Society of Central Florida, Inc. (a nonprofit corporation), which comprise the statement of financial position as of September 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Historical Society of Central Florida, Inc. as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the Unites States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Historical Society of Central Florida, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Historical Society of Central Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Historical Society of Central Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Historical Society of Central Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Schafer Tschage, Whitemat, Mitchell & Shuilan, LCP

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies</u>

(a) <u>Nature of Operations</u>

The Historical Society of Central Florida, Inc. (the "Society") is a not-for-profit corporation organized for the purpose of collecting, arranging, restoring and preserving historical artifacts. In cooperation with the Board of Commissioners of Orange County, Florida, the Society has constructed, and operates, the Orange County Regional History Center (the "Center") in Orlando, Florida, as discussed further in Note 2.

(b) <u>Liquidity and Availability</u>

As of September 30, 2022, the Society has \$1,158,893 of financial assets available within one year of the balance sheet date to meet cash needs for general expenditure. Financial assets subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date were \$322,164 as of September 30, 2022. The Society has a goal to maintain financial assets, which consist of cash and investments, on hand to meet 180 days of normal operating expenses, which are, on average, approximately \$300,000. The Society has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, as part of its liquidity management, the Society invests cash in excess of daily requirements in various investments.

The following table reflects the Society's financial assets as of September 30, 2022, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date.

Cash and cash equivalents Investments Grants receivable	\$ 413,075 569,868 175,950
Total financial assets	1,158,893
Funds for TDT Project	(322,164)
Financial assets available to meet cash needs for general expenditures within one year	\$ 836,729

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(c) <u>Cash and Cash Equivalents</u>

The Society considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(d) <u>Investments</u>

Investments are reported at fair value in the statement of financial position. Gains and losses on investments are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor restrictions or by law.

(e) <u>Fair Value of Financial Instruments</u>

The Society reports its financial instruments at fair value using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 Valuation based on unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Valuation based on observable quoted prices for similar assets and liabilities in active markets.
- Level 3 Valuation based on inputs that are unobservable and are supported by little or no market activity, therefore requiring management's best estimate of what market participants would use as value.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(e) Fair Value of Financial Instruments - Continued

Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to management. The respective carrying values of certain financial instruments approximate their fair values due to the short-term nature of these instruments. These financial instruments include cash and cash equivalents, grants receivable, prepaid expenses, accounts payable and other current liabilities, and deferred revenue.

The Society's Level 1 financial assets consist of investments identified in Note 3. The Society has no Level 2 or Level 3 financial assets or liabilities.

(f) <u>Inventory</u>

Inventory is stated at average cost, subject to lower of cost or market. Inventory consists of various items sold in the Center's gift shop.

(g) **Property and Equipment, Net**

Property and equipment are stated at cost less accumulated depreciation. When assets are retired or otherwise disposed of, the asset's cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in the period of disposition. Maintenance and repairs are charged to expense as incurred; significant renewals and betterments are capitalized. Depreciation is provided for property and equipment using the straight-line method based on estimated useful lives ranging from 3 to 10 years.

(h) Artifacts

A substantial portion of the Society's artifacts are items which have been donated, but for which no value has been assigned. The Society has elected to exercise the option to not capitalize the items that meet the definition of "collections" as prescribed by accounting principles generally accepted in the United States of America. Therefore, the fair value of donated exhibits and artifacts is not reflected in the accompanying financial statements.

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(i) <u>Contributions</u>

Contributions, including unconditional promises to give, are recognized as revenue in the period made or received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. The Society may also receive indications of intent to support, which are commitments that are open-ended and subject to unilateral change by the donor. The amounts are not measurable since the commitments do not express a term or period. Thus, they are not considered to be unconditional promises to give and are not recognized prior to the receipt of the contribution. Pledges and grants receivable which are expected to be collected in more than one year are stated at the present value of estimated future receipts. The majority of contributions are received through grants from the State of Florida and various foundations and individuals. Management periodically evaluates the collectability of grants receivable and establishes an allowance for uncollectible receivables when it estimates that amounts recorded are not likely to be received.

Gifts of cash and other assets are reported as restricted support if they are received with donor restrictions that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions. Contributions whose restrictions are met in the same reporting period are recorded as net assets without donor restrictions.

(j) <u>Revenue Recognition</u>

Special events revenue and rental income are recognized as revenue when the event or activity takes place and the income is earned.

Membership fees are recognized as revenue over the applicable membership period. Funds relating to the unexpired portion of the membership period are recorded as deferred membership revenue as of the Society's fiscal year end.

Admissions revenue represents museum entrance fees that are recognized as admission fees are paid. Museum store sales represent gift shop sales and are recognized as goods are sold.

Program revenue represents the fees paid by schools for their students' educational programs held at the Museum. Program revenue is recognized at the time the program takes place, and program fees paid in advance are recorded as deferred program revenue.

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(k) <u>In-Kind Contributions</u>

Contributions of assets, securities, goods, materials, supplies and facilities are recorded at their estimated fair value at the date of gift. Contributed services are recognized and recorded at their fair market value only to the extent they create and enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated. In-kind contributions are recorded as revenue in the accompanying statements of activities and changes in net assets and as expenses in the accompanying statements of functional expenses or as assets in the accompanying statements of functional expenses or as follows at September 30:

	2022	2021
Maintenance services	\$ 39,536	39,536

A substantial number of unpaid volunteers have donated significant amounts of their time to the Society's annual programs and exhibits, fundraising campaigns, and administrative services. However, due primarily to the nature of the services provided, they have not been reflected in the accompanying financial statements.

The in-kind contribution support from Orange County is reflected in Note 2 in the amounts of \$2,289,385 and \$2,171,879 for the years ended September 30, 2022 and 2021, respectively.

(l) Income Taxes

The Society is exempt from Federal income tax under provisions of Section 501(c)(3) of the Internal Revenue Code. The Society is not aware of any activities that would jeopardize its tax-exempt status or that are subject to tax on unrelated business income, excise or other taxes. In addition, the Society has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code. Consequently, no provision for income taxes has been included in the accompanying financial statements.

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(l) <u>Income Taxes - Continued</u>

In accordance with "Income Taxes" FASB Accounting Standards Codification Topic 740 (Topic 740), all entities are required to evaluate and disclose income tax risks. Topic 740 clarifies the accounting for uncertainty in tax positions and prescribes guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of September 30, 2022, and 2021, the Society had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Society's income tax returns are subject to review and examination by federal authorities. Since the Society's income tax filings are subject to audit by federal taxing authorities, generally three years after they are filed, the Society is no longer subject to examinations by federal taxing authorities for the years ended before September 30, 2019. In addition, there are currently no pending income tax examinations by federal taxing authorities.

(m) <u>Functional Allocation of Expenses</u>

Salaries and related payroll expenses are allocated among functional categories based on the estimated proportion of time spent for each function. All other expenses are distributed based on management's estimate of the relative functional activity.

(n) Advertising and Marketing Costs

Advertising and marketing costs are expensed as incurred during the year. Advertising and marketing expense for the years ended September 30, 2022 and 2021 were as follows:

	2022	2021
Orange County support allocation (in-kind)	\$ 151,903	165,955
Collateral design	16,785	11,360
Other advertising costs	7,693	2,710
	\$ 176,381	180,025

Notes to Financial Statements

September 30, 2022 and 2021

(1) <u>Summary of Significant Accounting Policies - Continued</u>

(o) <u>Use of Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(p) <u>Subsequent Events</u>

The Society has evaluated subsequent events through December 30, 2022, which is the date the financial statements were available to be issued. There were no events that are required to be recognized or disclosed in the accompanying financial statements.

(2) Agreement with Orange County

During 1998, the Society entered into a ten-year operating agreement with Orange County, Florida that formally defined the working relationship between the two parties. Under this agreement, both parties agreed to jointly participate in the cost of the conversion of the 1927 Orange County Courthouse building into the Orange County Regional History Center (the "Center"). Funding for the courthouse project was provided by the State of Florida, Orange County, the City of Orlando (including Downtown Community Redevelopment Agency) and a \$4 million capital campaign conducted by the Society.

During 2010 and again in 2021, the agreement with Orange County was restated and renewed for another ten-year period. As part of the renewal process, it was formally agreed that the Society shall use its discretion and undertake an endowment fund campaign to raise funds for a specific endowment to support the operations of the Center and the Society.

The Center is used to provide the citizens and visitors of Orange County a historical museum to house exhibits, artifacts, and educational tools and programs about the history of Central Florida and an outdoor plaza to contribute to the aesthetics and quality of life in Orange County and downtown Orlando, Florida.

The Center, which remains the property of Orange County, is jointly operated by the Society and Orange County. The Society provides artifacts to furnish the Center including the archives' collection and items in storage. These assets remain the property of the Society. Orange County provides the exhibits and these assets remain the property of Orange County. Orange County pays for all the maintenance and upkeep costs on the building, other costs related to the

bond mutual funds Equity securities – mutual funds and	350,400	433,742
common stock	181,804	183,674
	\$ 569,868	632,358

Notes to Financial Statements

September 30, 2022 and 2021

(3) Investments - Continued

Net investment income without donor restrictions consists of the following at September 30:

	2022	2021
Net realized and unrealized gain (loss)	\$ (77,604)	18,940
Dividends and interest	21,425	21,476
	\$ (56,179)	40,416

(4) <u>Note Payable</u>

During the year ended September 30, 2021, the Society entered into a promissory note with the U.S. Small Business Administration (SBA) in the amount of \$124,900 at a rate of 2.75%. Monthly payments in the amount of \$534 began in June 2021 and continue until May 2051 at which time all remaining principal and interest is due. The note is secured by all tangible property.

At September 30, 2022 long-term debt matures as follows:

\$ 3,049
3,134
3,221
3,311
3,403
103,700
\$ 119,818

(5) <u>Net Assets</u>

Net assets with donor restrictions consist of the following at September 30:

	2022	2021
TDT funds - purpose restriction	\$ 322,164	322,164

Notes to Financial Statements

September 30, 2022 and 2021

(6) <u>Concentration of Credit Risk</u>

Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits. The Society has never experienced any losses related to these balances. At September 30, 2022 and 2021, insurance coverage amounted to \$250,000 per depositor at each financial institution.

Investments consist primarily of fixed income and equity securities (note 3). Although the market value of investments is subject to fluctuations on a day-to-day basis, management believes the current investment strategy is prudent for the long-term welfare of the Society.

(7) Paycheck Protection Program (PPP) Loan

In February 2021, the Society applied for and received loans in the amount of \$92,300, pursuant to the Paycheck Protection Program (PPP) established by the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act to provide relief in connection with the coronavirus pandemic. The notes bear interest at 1% and are subject to a payment deferral period of six months. However, the notes and related interest are subject to forgiveness when the proceeds of the loan are used to fund payroll and other allowable expenses as defined by the PPP. As of September 30, 2021, the Society incurred \$92,300 of qualifying expenditures and, accordingly, has recorded \$92,300 as PPP grant revenue in the accompanying statement of activities. As of September 30, 2021, these loans have been forgiven.
